

# Recommendations and guidance

What helps a person decide where to look or what to do?

Directs attention or suggests an action, resource or procedure, including corrective advice, consequence previews and warnings.

A next step attached to the work

DESIGN CHOICES

Notice and hold back

FC043

attention direction and salience cueing

FC044

risk alert or warning

Preview a consequence

FC046

prospective consequence preview

Choose an action or resource

FC040

next-step recommendation

FC042

item or content recommendation

Perform or repair

FC045

procedural how-to instruction

FC041

corrective or remediation guidance

Recorded form · FC046: Preview of the consequence before committing (VA037).

Control group

Care-based group

Gen-AI care-based group

1. Fixed tips 2. Conversational condition

The study contrasts fixed energy-saving tips with a conversational condition that elicits household context.
