

Visual and sensory representation

Through which form can a person perceive meaning?

Expresses meaning through visual form, language, sound, touch or physical action, including translations and adaptations that make it accessible.

DESIGN CHOICES

Perceptual carrier

FC085
visual encoding and graphical mapping

FC083
non-visual sensory encoding

FC086
embodied or physical enactment

Translation of meaning

FC084
cross-modal translation

FC089
verbal description of perceptual content

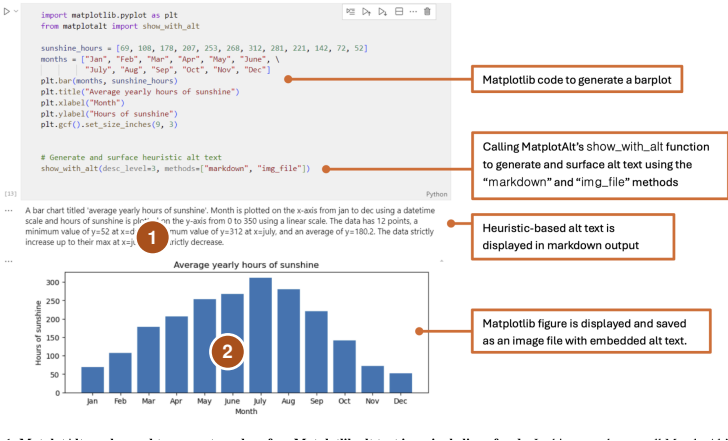

Adaptation and reframing

FC088
accessible or simplified presentation

FC087
metaphorical or symbolic re-representation

Recorded form · FC083: Spoken or audio rendering of content (VA071).

PAPER ILLUSTRATION · FC088

1. Description surfaced as text 2. The same chart remains visible

A notebook presents a chart and its generated description together; the library also supports alternative output placements.
